Save the Date: Grad Fair

The 2018 Grad Fair will be held at the Bronco Bookstore Atrium on April 17 & 18 from 9 a.m. – 6 p.m. inside the Bronco Bookstore and Bookstore Atrium. Vendors from Jostens, Graduation Day Flowers and other campus partners will be there to provide all information needed for our CPP graduates big day in June!

Bronco Bookstore and Semester Conversion!

Like the rest of campus, the Bronco Bookstore is making plans for the change to the semester academic calendar in August. While this change will impact several aspects of bookstore operations, the biggest change will be that there will now be two major rushes in August and January.

Long before the first-semester rush, the semester conversion will impact the timeline for faculty textbook selection and ordering. Instead of needing fall course materials adoptions in May, the new due date for fall adoptions will be in April. The Bronco Bookstore staff are already working closely with academic department contacts and faculty to make them aware of this earlier due date.

Fall and Summer Deadlines Switch from Sidewalk Hero to Verba Collect

Due to semester conversion, fall course materials adoptions will be due on Friday, April 20 and summer adoptions will now be due on Friday, April 6.

Please note that the Bronco Bookstore no longer utilizes the Sidewalk Hero course materials platform. Instead, the bookstore has switched to Verba Collect for all adoption ordering needs.

Please contact Stacie Shellner at x3751 if you need any assistance with accessing Verba Collect.
CSU Trustee Mr. J. Lawrence Norton Visits Cal Poly Pomona Campus

California State University (CSU) trustee Mr. J. Lawrence Norton visited the Cal Poly Pomona campus the week of March 13. Foundation units such as Innovation Brew Works (IBW), Kellogg West, Kellogg House and Los Olivos hosted Mr. J. Lawrence Norton during his visit.

Lawrence Norton was also given a tour of South Campus by VP of Administrative Affairs Danielle Manning, AVP for Facilities Planning & Management Walter Marquez and Foundation Real Estate Director Sandra Vaughan-Acton.

CPELI Hosts Graduation for International Students

At the recent graduation ceremony on Thursday, March 15, international students at Cal Poly English Language Institute (CPELI) were recognized for completing a rigorous 10-week intensive English program. The ceremony concluded, as it does every quarter, with a short poignant slideshow of students and staff engaging in language and cultural activities. The slideshow highlighted the many multicultural activities that enrich the student experience at CPELI. Finally, all participants were treated to an Italian meal of pasta, Caesar salad, chicken and grilled vegetables.

We at CPELI are proud of our students’ achievements and success!

Foundation Real Estate Director Hosts Legislative Luncheon

Pomona Chamber of Commerce hosted its annual Legislative Luncheon at the Pomona Fairplex on Friday, March 23. Sandra Vaughn-Acton, Chair of the Chamber of Commerce in Pomona and Foundation Real Estate Director, hosted the event.

Approximately 250 people were in attendance at the 3rd annual event. Some of the event attendees included Senator Connie Leyva, Assemblyman Freddie Rodriquez, Los Angeles County Tax Assessor Jeffrey Prang and Pomona Mayor Tim Sandoval.

The Cal Poly Pomona Foundation was a proud sponsor of the Legislative Luncheon and had a table set up during the event.

Bronco Bookstore’s ‘Instant Access @ CPP’ Pilot Saves Students More than $177K YTD

What is Instant Access?

Instant Access is a growing model for course materials that address both access and affordability.

In this model:
- All students enrolled in a course have access to required course materials in a digital format on or before the first day of class.
- Student accounts are billed for the course materials at the same time as other registration costs.
- Students may opt out of the materials within the first two weeks of class and get the cost refunded.

So far, mechanical engineering has been the first to be a part of this new exciting model. This is in thanks to department chair Angela Shih. Dr. Shih actively championed the use of digital content to reduce textbook costs and improve student learning for years.

This model eliminates barriers to learning caused by delayed access to course materials or students trying to get by without purchasing books at all. With the success of the Instant Access program, it is likely that it will be adopted by other departments in the future.

Cheryl Bacha

Job title: ESL Instructor at CPELI

Length of employment: 25 years

I have a talent for... knowing what people are feeling at all times.

No one would ever guess... that I have five grandchildren.

What’s your biggest accomplishment? My biggest accomplishment has been helping students from all over the world to learn to love the English language.

What’s your favorite movie? “Mean Girls”

What’s your favorite song? “When You Say Nothing at All” by Allison Krauss

What are your hobbies? Reading, playing piano and spending time with my grandchildren.

What’s on your bucket list? As a mother of five children, I could never travel far away from home. Now that all of my children are grown, I have many things on my bucket list. I would love to travel to Asia to see the cultures, traditions and places that my students have spoken so fondly of. Another thing on my bucket list is to buy a horse so that I can ride again.

If you could meet any public figure, living or departed, who would it be and why? I would like to meet Pope Francis because he truly inspires me. Pope Francis believes that people are more valuable than material wealth and I agree with him completely.

If you could travel anywhere in the world, where would you go and why? I would love to travel to Asia and Norway. Visiting Aurora Borealis has always been a dream of mine.
When you support the services that are owned and operated by the Cal Poly Pomona Foundation, you help students obtain on-campus jobs, and help fund scholarships, campus programs and educational grants. Foundation enterprises include Dining Services, the Bronco Bookstore, the University Village and Kellogg West Conference Center & Hotel.

As the largest employer of students on campus, the Foundation offers valuable work experience and hands-on training to approximately 1,500 Cal Poly Pomona students each year. The Foundation offers positions in various fields; whether it is in the area of technology, science, retail, culinary arts, hospitality management, leadership or research grants, these student employees participate in Cal Poly Pomona’s learn-by-doing philosophy and acquire practical skills in their designated field of study.

The Foundation also contributes operating support to nearly 1,100 Foundation and scholarship programs every year, including Bronco Athletics and the Norman J. Priest Scholarship. In addition, the Foundation administers grants and contracts, contributes to campus security, and supports several university publications. The Foundation contributes over $1 million annually to Cal Poly Pomona.

Because of your support, the Foundation is able to provide these beneficial services every year. Thank you for making your purchases on campus and contributing to the success of Cal Poly Pomona students and the university community.
