# The 2018 - 2019 Norman J. Priest Scholarship Winners

Congratulations to Allison Lee of Vista Market and Karina Tostado of Kellogg West, the two recipients of the Norman J. Priest Scholarship. Allison and Karina were recognized at the Foundation board meeting on Tuesday, February 26.

The Norman J. Priest Scholarship is given to Foundation employees who embody the ideals of former Foundation Board Member Norman J. Priest through their community service, leadership skills and involvement in the Foundation. In order to be considered, students must submit a résumé, a recommendation letter from both a supervisor and a Foundation staff member and an essay. The essay must address how the Cal Poly Pomona Foundation has helped them with their educational goals and how the award will help them achieve their career and educational goals. The essay also highlights how participation and leadership in community service will help them achieve their goals. Submitted applications are reviewed by Mrs. Halo Priest, her son James Priest and a Foundation scholarship committee.

# Time Management Tips to Reduce Workplace Stress

*Courtesy of Arbill*

- 1. PLAN EACH DAY.** Planning your day can help you accomplish more and feel more in control of your life. Write a to-do list, putting the most important tasks at the top. Keep a schedule of your daily activities to minimize conflicts and last-minute rushes.
- 2. PRIORITIZE YOUR TASKS.** Time-consuming but relatively unimportant tasks can consume a lot of your day. Prioritizing tasks will ensure that you spend your time and energy on those that are truly important to you.
- 3. TAKE THE TIME YOU NEED TO DO A QUALITY JOB.** Doing work right the first time may take more time upfront, but errors usually result in time spent making corrections, which takes more time overall.
- 4. BREAK LARGE, TIME-CONSUMING TASKS INTO SMALLER TASKS.** Work on them a few minutes at a time until you get them all done.
- 5. PRACTICE THE 10-MINUTE RULE.** Work on a dreaded task for **ten** minutes each day. Once you get started, you may find you can finish it.
- 6. EVALUATE HOW YOU'RE SPENDING YOUR TIME.** Keep track of everything you do for three days to determine how you're spending your time. Look for time that can be used more wisely.
- 7. LIMIT DISTRACTIONS.** Block out time on your calendar for big projects.
- 8. GET PLENTY OF SLEEP, EAT A HEALTHY DIET AND EXERCISE REGULARLY.** A healthy lifestyle can improve your focus and concentration, which will help improve your efficiency so that you can complete your work in less time.
- 9. TAKE A TIME MANAGEMENT COURSE.** If your employer offers continuing education, take a time management class.
- 10. TAKE A BREAK WHEN NEEDED.** Too much stress can derail your attempts at getting organized. When you need a break, take one. Take a walk. Do some quick stretches at your desk.

When you support the services that are owned and operated by the Cal Poly Pomona Foundation, you help students obtain on-campus jobs, and help fund scholarships, campus programs and educational grants. Foundation enterprises include Dining Services, the Bronco Bookstore, the University Village and Kellogg West Conference Center & Hotel.

As the largest employer of students on campus, the Foundation offers valuable work experience and hands-on training to approximately 1,500 Cal Poly Pomona students each year. The Foundation offers positions in various fields; whether it is in the area of technology, science, retail, culinary arts, hospitality management, leadership or research grants, these student employees participate in Cal Poly Pomona's learn-by-doing philosophy and acquire practical skills in their designated field of study.

The Foundation also contributes operating support to nearly 1,100 Foundation and scholarship programs every year, including Bronco Athletics and the Norman J. Priest Scholarship. In addition, the Foundation administers grants and contracts, contributes to campus security, and supports several university publications. The Foundation contributes over \$1 million annually to Cal Poly Pomona.

Because of your support, the Foundation is able to provide these beneficial services every year. Thank you for making your purchases on campus and contributing to the success of Cal Poly Pomona students and the university community.
